

**Resolution passed at the ITTF Board of Directors meeting in 2012
in Dortmund:**

That the new Poly balls (non-celluloid material) be used at ITTF events as of 1 July **2014**. The Executive Committee may allow the use of the Poly balls, in exceptional cases, in the period between the **2014** World Championships and 1 July **2014**.

**Decision of the ITTF Olympic & Paralympic Commission at its
meeting in January 2014 in Dubai:**

The Commission resolved to approve the use of the celluloid ball for the 2014 Youth Olympic Games.

**Decision of the ITTF Executive Committee at its meeting in March
2014 in Ljubljana:**

The Executive Committee resolved that all ITTF Junior Circuit events to be played after 1st July 2014 but before the 2014 Youth Olympic Games use the current celluloid ball (Korea, Hong Kong, Guatemala and El Salvador).
